IN MEMORIAM

IN MEMORY

In remembrance of our dear mother and wife, who departed this life one year ago, July 23:

I think of you in silence,
No one can see me weep,
Many a silent tear is shed,
While others are asleep.

I do not need a special day,
To bring you to my mind;
The days I do not think of you,
Are very hard to find.

God saw the road was getting rough,
The hills too hard to climb;
So He gently closed your weary eyes,
And whispered peace be thine.
—The Family of the Late
Mrs. Oscar Jamerson.
Passed away July 23, 1958.

IN MEMORIAM

GRANNY, OUR GRANNY

Granny, our Granny, a name so dear,
We say it and know that you are not here,
The dear Lord called you to your reward,
And we remained here with hearts heavy and hard.

The bright light of heaven in your eyes did shine,
The beauty of Jesus in all actions was thine,
Granny, our Granny, we love even more,
Since no longer we hear your step at our door.

From things you have taught us so true and so pure,
We've learned to live lives with a purpose sure.
Striving to follow the wondrous Lord's plan,
And to feel the Holy Spirit and hold to your hand.

Because you have so lived, we can live too,
Knowing that honesty and kindness please you.
Knowing it's better to give than receive,
And know someday we'll be with you if on Christ we believe.

Granny, our Granny, because you are there,
We've gained more strength from our daily prayer,
Because you're in Heaven and God has made you whole,
We make our habits more Christ-like and bold.

Someday we pray we can be with you there,
Because you have helped us our heartaches to bear,
Nobody else can fill our lives in this way,
So Granny, our Granny, watch for us each day.

Stretch forth your hand and hold us near,
Keep our eyes on the path and our hearts free from fear,
Never let us wander or be led astray
And we'll feel you near us each step of the way.

No longer we're sad, but greatly rejoice,
The most beautiful angel surely was God's choice;
When He called our beloved Granny to heavenly peace,
Where she'll live gloriously and joys will never cease.
—All The Grandchildren.

—Written by the oldest grandchild in loving memory of our Granny, Mrs. Oscar Jamerson, who passed from this earth one year ago, July 23rd.

IN MEMORIAM

In sad but loving memory of our dear husband, father and grandfather, William Ray Baldwin, who departed this life eight years ago, July 13, 1951.

It was on a Friday night,
I will never forget the day,
When an angel came,
And took our loved one away.
The golden gates were open,
A gentle voice said come,
And with farewell unspoken,
He gently entered home.
Though God has him in his keeping,
We still have him in our heart.
—Sadly missed by his Wife,
Children and Grandchildren.

Health and Beauty

One fact seems certain in the world of glamor: modern hairdressers do not agree on how we should wear our hair.

This is good news for any woman who likes to maintain her individuality even in the face of fashion regimentation.

We can take advantage of the opportunity to keep our hairdo's just the way we want them and still remain fashionable.

The smart hairdo today does, however, follow a line. This is very little curl, as the style is based more on the shape of the face and the texture of the hair than on curls.

Color seems to remain the big factor in hairdo's as more women than ever are dying their tresses.

About The Home

By Frances Dell

When summer heat bears down, the last thing you may want to do is cook, but for most of us, it's unavoidable. The secret may be to plan ahead.

Think cool when you plan a summer menu. Summer appetites are happier with lighter, low - calorie foods that are refreshing. A melon bowl, for example, is colorful and delicious and as cool to prepare as to eat.

A melon bowl is easy to make. Start with half a watermelon. Scoop out the melon with a ball-shaped cutter until the melon is hollowed. This hollow shell serves as a bowl. Next scroop out balls of cantaloupe and honeydew melon and combine with watermelon balls.

Clean some strawberries and blueberries and peel and slice some ripe peaches, if these fruits are not real sweet, be sure to add sugar to them before adding to melon bowl. Chill fruit in refrigerator until very cold. If you have a large freezer, you can put the shell in over-night. It will be shimmering and frosted when you take it out.

Fill the frosted shell with fruit and garnish with mint. A little wine poured over the fruit will impart a delicious flavor. You will find this makes a perfect salad or dessert. When served as a salad, you may like to place a scooped-out cantaloupe shell in the center of your melon bowl and fill it with creamed cottage cheese, to which you have added a little salad dressing, freshly ground nutmeg, and sweetened with honey. This should be blended into a smooth cream.
